- **Consultation Fees** – Initial consultation will be \$170 and review appointments \$90. You will be able to collect the Medicare rebate on presentation of your receipt to Medicare. Aged pensioners will be charged at a discounted rate but will be required to pay the gap.
- Please ensure your referral details are current. 12 months, indefinite or 3 months.
- **Operation fees (for surgery only)** will be charged directly to your private health fund. There will be a **Gap Payment** which will be discussed when your operation is confirmed.
- Uninsured patients will be advised of all associated surgical/hospital charges.
- Fees for operation assistants, anaesthetists, pathology and radiology may not be completely covered by Medicare or health funds.
- **Emergency Surgical Fee** – If emergency surgery is required outside scheduled operating days, an administration fee will be incurred to organise a time and day for theatre as well as an anaesthetist and/or assistant.
